Major Activities affecting case closing:

- 09/30/2021 Pending adversary case to be reopened. Defendant against which a Default Judgment is seeking to set it aside. There is another defendant which has not completed the settlement.
- 09/30/2020 In Adversary 17-01051, the Judge ruled that the Delgados were solvent at the time of the transfers, and therefore ruled in their favor. There are two default judgments to submit and a notice of compromise to be filed against other defendants.
- 09/30/2019 Trustee has filed motions to compromise with three defendants in the adversary proceeding. The Delgados (shareholders of the debtor) have filed objections. They have also filed a motion to remove the trustee. The Court has allowed the lawsuit against the Delgados to move forward.
- 09/30/2018 Case converted and Tim Delgado, president, failed to appear for two scheduled creditor meetings. The claims bar date was set in the chapter 11. Pre-petition, there was a state court class action lawsuit alleging violations of the fair debt trade practices act. Trustee has not filed a notice of assets because unless funds are received in the adversary, the estate does not have unencumbered funds. The money in the trustee's account is subject to a lien.
